The charges in question are of an unavoidable nature and have to be provided for as a recurring grant.

2) The Irrigation Commission makes alternative suggestion thus extra charge from next year. The charge is one that has perhaps to be met from State funds, as in the case of similar distributions. The figures have - the less to be entered in the budget. Submitted for orders

3) Additional expenditure due to enhancement of Municipal tax is inevitable and has also admitted. In the Sanctioned scale there is a provision of Rs 10 in respect of mud - I presume that - the continuance of this item is not now necessary - This may be approximately the payment of the add. M.L tax, the balance of Rs being [illegible] - met from other savings

As regards the establishment charges, may be observed that the new staff was sanctioned in replacement of broken ones - Primafacie, this explanation does not satisfy

5. The item of Rs 10 for removal of mud is now unnecessary. The increased Municipal tax 6. may be met as proposed by the Fl Secy. The M.C. may be asked to state if the need for this item has ceased.

7. As regards the additional expenditure on accl of Pandithara, Deepanadhane and Archaks pay, the proposal may be referred to the Huzur Secy for instructions. The idols were Consecrated according to orders Conveyed in this D.O. of 7.7.1927 to the M.C. and if daily Worship of the idols should be arranged for the extra expenditure of Rs 90 per annum proposed appears to be necessary and has to be sanctioned from State Funds by increasing the Jasdek grant for this institution.
